Viking River Cruises

Early Savings! Extended until 3/21/11

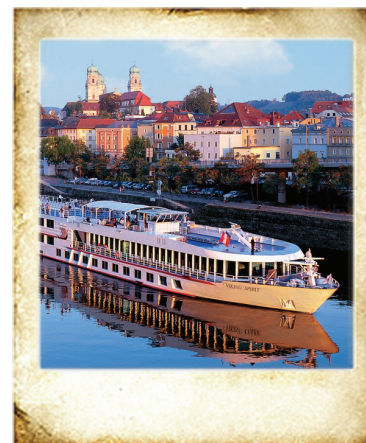

Viking River Cruises is the world's leading river cruise line, by far. River cruising is the best of land touring and cruising combined on a smaller scale and in much greater comfort! Viking is extremely popular and is successfully filling its vessels far in advance so we recommend booking early. It is our goal to introduce as many people as we can to the joys of river cruising because it is so fabulous. Vikings Early booking promotion has generated great demand, it has been extended until March 31. Space is limited so book early! With this offer you will receive:

- Incredible 2-for-1 pricing (off full brochure rates) on every river cruise itinerary
- Additional group discounts on select departures
- A discount of "up to" 2-for-1 on international air
- Complimentary wine with onboard dinners
